Contract Training Services

OSHA General Industry Occupational Safety and Health 10- or 30-hour Outreach Program

This course is ideal for supervisors with safety and health responsibilities, foremen, or anyone else involved in the general industry. Upon successful completion of the course, participants will receive an OSHA General Industry Safety and Health 10-hour course completion card from the U.S. Department of Labor and a certificate of completion from Mountain View College. Students who have completed their 10-hour course have six months to work towards completing their 30-hour certificate and completion card from the U.S. Department of Labor.

Topics Covered

- ⇒ Introduction to OSHA, OSH Act, Inspections, Citations, and Penalties
- ⇒ Walking and Working Surfaces
- ⇒ Means of Egress and Fire Protection
- ⇒ Electrical
- ⇒ Flammable and Combustible Liquids
- ⇒ Personal Protective Equipment
