2008-2009 Award Highlights

The majority (61%) of all award recipients were women. The greatest proportion of men in any award category was 50% of AAS (non-nursing) degree recipients.

The ethnic breakdown of award recipients mirror the ethnicity of the general student body with Hispanics representing the largest number of in all award categories, Blacks are second, and White third.

MVC awarded its first AAS in Nursing Degrees in 2008-2009 with 31 graduates.

The top four other Career and Technical Programs (AAS, AS,FS, and Certificates) include Criminal Justice with 81 awards; Accounting with 60 awards; Business Administration with 57 awards; and Computer Aided Drafting with 32 awards.

The 586 MVC 2008-2009 total awards are 137 more than the 449 total awards granted in 2007-2008.

The 586 total awards were conferred to 493 individual students.
